RSVP by sending a text to number
313131 with the message **TXTRSVP COID**
or call **541-504-7578**

Central Oregon Irrigation District will host an Informational Session on irrigation district rate increases. The rate increases will cover upcoming HCP, operations and maintenance expenses. Conservation projects are primarily funded through state and federal grants. The water rate increases will take effect in 2020.  Information shared at the September 5 Informational Session will be available online at www.coid.org beginning September 6.

Central Oregon Irrigation District has provided water throughout Bend, Redmond, Powell Butte and Alfalfa through its system of canals for over 100 years. Our mission is to provide a reliable supply of water for every single patron on our system. As one of the fastest growing communities in the country, the Deschutes Basin is tasked with meeting the ever-increasing water needs of farms, neighborhoods, businesses and recreation and restoring fish and wildlife habitat.

Accommodation Information for People with Disabilities

These meetings/event locations are accessible. Sign language interpreter service, assistive listening devices, materials in alternate format such as Braille, large print, electronic formats and CD Formats, or any other accommodations are available upon advance request. To obtain this information, please contact COID at 541-548-6047; Providing, at least, 5 days' notice prior to an event will help ensure availability.
